9	n/a	Phil Game	Unclassified - The main road through Achmore	At the north end of the footpaths	At the south end of the footpaths	Paths are badly overgrown.	Small plantation is taking hold along the footpaths.	27/08/2013				25/11/2013 - Sandy reports that there will be some work done on the weeds over the winter. If any are missed we will use a weed burner to catch the rest.								
												7th July 2015 - Phil says, all we ask for is a day without rain.								
10a	831820	Dave Mocket	Unclassified - The main Braeintra road i.e. From Achmore village up to the A890 through Braeintra	The small bridge with orange netting, by the first houses on the left.	N/A	Parapets on both sides of the bridge are unstable	It appears the wet weather has undermined the foundations and loosened the soil around the bridge and the parapet.	23/03/2014	Dave's photographs have already been sent through to Sandy.	1		24/03/2014 - Sandy will discuss with the bridges department								
												29 August 2014 - We have queried if this bridge has been checked give the traffic levels will increase due to the detour required for 7.	6th October 2014 - The bridge will be subject to regular inspections							
												25th October 2014 - The LHS of the parapet and stone work below has collapsed, reported by Dave Mocket	25th & 26th October 2014 - Donie has been out and surveyed the damage and sandbagged the side of the bridge. The road is to remain open to traffic.							
													30th June (Andrew) & 24th April (Donnie) 2015 - Andrew confirms a temporary deck will be installed on the bridge this summer.							
10b		Phil / Donnie	As 10a			Water running across the road and undermining the bridge	Ditches are blocked above the bridge	04/09/2014		3		30th June (Andrew) & 24th April (Donnie) 2015 - Andrew confirms this will be done as part of a general inspection and maintenance of ditches and offlets this summer.								
10c		Phil / Donnie	As 10a	The small bridge down from 10a towards Achmore.		The parapets has lost a stone		02/03/2015		4		30th June (Andrew) & 24th April (Donnie) 2015 - Andrew confirms this will be done as part of 10a.								
14	984901	Audrey Sinclair	A890	200 yards north of the /braeintra junction	About a mile on downhill and also affecting the top of the Braeintra road	Water running across the road during dry spells	Blocked run offs and ditches	16/10/2014	Sent through by Donnie	2		22 October 2014 - Donnie has looked at the problem and has recorded the work as urgently needed attention								
													30th June (Andrew) & 24th April (Donnie) 2015 - Andrew confirms this will be done this summer.
