### Our evenings are open to everyone and all are very welcome

For non-members we make a guest charge of £3 per evening which also includes home baking, tea or coffee.

For the hands-on events such as 'Making Buttons', 'Xmas Candle Table Display' and 'Encaustic Art' an additional small charge will be made for supply of materials to use on the night and take home afterwards.

From October onwards we also hold Monday afternoon 'Craft' sessions in Kyle Church Hall from 2-4pm.

These crafts can be anything you want to work on or try out something new. Help is always on hand if you need advice as well as lots of laughter and a good blether.

**Anyone is welcome to drop in**
