

SUBSCRIBING TO CATCH THIS IN 2019

It is time to sign up for Catch this for next year and once again we offer you a choice. You will receive 11 issues from February to December either printed on paper in shades of grey or in wonderful technicolour that you can read online or download as a PDF. Apart from the colour, the content is the same.

If you would like to subscribe to the paper edition, please pay your distributor as normal (£9; cheques payable to "A S & R Benefice").

The cost of the online subscription is just £6, or £12 if you would like both the online and paper editions. We use MailChimp to send out the monthly subscriber emails. Please sign up as soon as possible at <http://eepurl.com/dNbV5U>, complete the form with your email address and name, and tick the Permission to email box. You will receive an opt-in email that will request confirmation that you really subscribed and that we have your permission to send emails to you. Click on the link to complete the sign up. When you receive your final confirmation email from MailChimp, please follow the instructions to send a cheque for £6 to the Benefice Office or pay your local distributor £6 for online only or £12 for joint. Please complete and include the tear off slip below so we can link payment to your subscription. If you need further information or help contact us at catchthis@andiwerx.com.
