### 9. Remembrance Service
Iain Mitchell will lay the wreath which is with David Shields. Dave Bonas is organising the Remembrance Service. A second wreath arrives Friday, to be laid by Royal Marine Reserve Recruit Ben Spong.

### 10. Fife Councillors’ Report
DD: Sat Nav – HGV specific Sat Navs should contain information on any height, weight and length restrictions. Encourage people to contact vehicle operator if something is out of place. Pavement at Wright’s now repaired.

DB: The number of recycling points will be formally consulted and reconfigured by Fife Council. DB will stress NQ needs to retain the present two locations.

Public toilet – Fife Council continues to seek funding. LC to write to the press. Draw attention to possibility of restoring public toilets at Battery Road Bus Stop

No progress on seagull proof bins.

Grit bins – Community Council requested the grit bin on the Brae is moved from the middle to the bottom of the Brae. Fife Council to progress.

Snagging List (including setts at War Memorial) – suggestion to ask Ian Balfour to visit the village and review the snagging list. Request with Cllr Dave Dempsey to progress.

DC spoke about anti-social behaviour, cars and safer communities. He suggested we try to do something proactive.

### 11. Community Group Updates
Pierhead Park playpark project planning application submitted Website address to be added to minutes – DS contacting David Neill.

Community Centre / MUGA – performing well. Timer being added to the lights.

North Queensferry Heritage trust – exhibition is open at the Train Station daily from 10:00 to 4:00pm subject to volunteers, with guided walks from the station on Sunday’s in November at 10:00am and 2:00pm. Suggestion this could be advertised in the Dunfermline Press.

Community Centre – Suggestion to seek financial contribution to the proposed white line parking space painting from the Community.

North Queensferry Community Trust – pier repairs now underway.

### 12. Treasurers report – procedure to disbursement of £500 grant
Best wishes to Christina who is unwell & in hospital. Suggestion to use the Accountant in Dunfermline being used by other groups in the village. Action – discuss with Iain Mitchell. £500 disbursement from Fife Council – discussion on how to use the funds

IM
13. **Floral Enhancement**

Floral enhancement grant application has been submitted. Funding request for the village Christmas tree has been submitted. The Christmas Tree is ordered and due for delivery & installation at the end November. The lights will be added first weekend in December.

Suggestion to raise a project to obtain lights for the top of the village, Wrights has agreed for use of power. MF / DCB to investigate. Formal request raised for allocation of a portion of the £500 disbursement to be considered.

Jim West offered 2 set of rope lights available for use, suggestion for these to go up at the station.

14. **Village defibrillators, update**

Battery Road – Deep Sea World is purchasing directly. The Committee agreed for SF to purchase the cabinet and invoice Deep Sea World. An electrician is required to sign off installation of the defibrillator installation at the bus stop. An article will be written for the next Ferry News, closing date is Friday 11\textsuperscript{th} January.

15. **Planning applications**

None this month

16. **Correspondence**

SF has written to Alex Hynes thanking him for arranging the installation of handrails at the station.

17. **Any other competent business**

Matter of no yellow zig zags outside school – police can contact the school & suggest incentives to reduce the number of cars transporting children to school.

Concern raised about speed of traffic in pathway on route to Community Centre & MUGA.

Forms for volunteers to man speed cameras, in groups of 3 – Speedwatch will be reinitiated in spring

Hound Point – Dalgety Bay meeting held this week, intention to hold a joint meeting with Dalgety Bay and NQ Community Council with regard to the smell from Hound Point. SEPA has been contacted.

Sewage Treatment Plant (next to B981): SF met Damian Walls of SEPA who indicated the treatment plant is out of date. It is the responsibility of Scottish Water to upgrade. Agreement for Community Council to write to the Chief Executive of Fife Council and Chief Operating Officer at Scottish Water to raise concerns.

The sequence of traffic lights leaving the village appears to have changed causing delays – Lin Collis to contact Amey to discuss

**Next NQCC meeting:** 7.30pm Thursday, 20\textsuperscript{th} December 2018, at North Queensferry Community Centre. Members of the public are very welcome to attend.
