

FREE - FAMILY DAY

Thu 7th Aug 10am – 4pm

Come along to the Forth Replacement Crossing Contact and Education Centre at South Queensferry and enjoy our free FRC Family Day on Thursday 7th August.

Visit us anytime between 10am and 4pm to find out how we are building the new bridge, enter our competitions and take an escorted walk on the Forth Road Bridge to see the construction of the Queensferry Crossing.

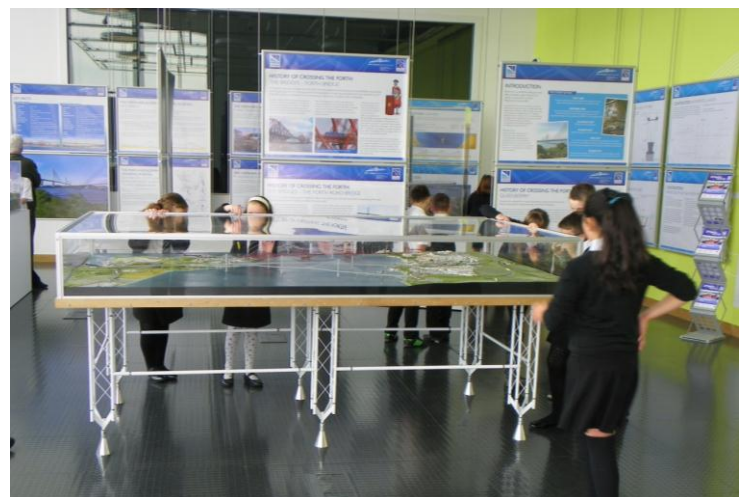

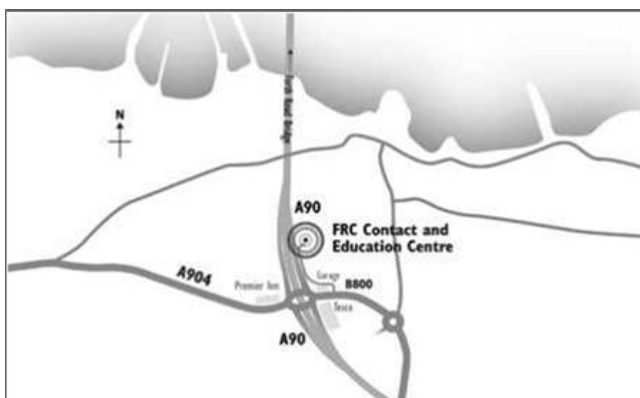

Staff will be available to discuss the project, answer questions and will be encouraging visitors (particularly children) to build their own cable stay bridge model, take part in our three bridges quiz or take part in our art competition – ‘Spring 2017 on the Forth’.

This is a great opportunity for your family to find out more about the project, have a look at the FRC Project Exhibition and models and experience the panoramic views of the Firth of Forth.

Pre-booking is not required. Just come along to the centre and get involved in bridge activities.

If you would like to get a closer look at the progress of the works, take part on one of our escorted walking tours on the Forth Road Bridge. Engineers will escort groups of up to 20 people on each tour commencing 10.00, 11.30, 13.00 and 14.30 with places booked on the day on a first come basis.

We look forward to seeing you on the day!

You can find us at :

FRC Contact and Education Centre,
Ferry Muir Gait,
South Queensferry,
EH30 9SF.
