December Events

The Helensburgh and Lomond Festive Campaign will run from 8th December until 3rd January to target police activity and make sure everyone has the information they need to keep safe over the festive period. Police activity will include high visibility foot and mobile patrols in Helensburgh town centre, with a focus on shopping areas during the day and of course pubs across the wider area in the evenings. Road checks to detect and deter drink driving, speeding and other crimes will also take place at key locations. Officers will be providing safety advice when attending community events, visiting businesses and on patrol.

This year's key Festive Safety message is to stay safe whilst shopping, partying, at home or on the roads.

- Shop safe – be alert at ATMS and look after your bags
- Be careful online – use a secure browser and only insert card details if the padlock icon is visible
- Plan your nights out – stick with friends and know how you are getting home.
- Secure your home – keep cash at home to a minimum and gifts out of view
- Be aware of changing road conditions. In severe weather increase stopping distances. If you are drinking, leave the car – Don't Risk It.

Further Information on how to stay safe can be found on the Keep Safe Page of the Police Scotland website.

Have a safe time and if you see any suspicious activity please report calling 101 or 999 in an emergency.
