

Creaton Walking Group

Report for Annual Parish Meeting.

May 2016

Creaton Walking Group has been in existence for over 7 years and once again this year has enjoyed monthly walks in our native Northamptonshire. We have been delighted to welcome new walkers some of whom have travelled from neighbouring Leicestershire to share the company of this friendly group. Average number of walkers is 10 plus one or two dogs.

During the year the group have started walking parts of the Midshires Way which goes close to Creaton. The entire Midshires Way is 230 miles stretching from the Chiltern Hills in Buckinghamshire to Stockport, Greater Manchester and Creaton Walking Group walks currently cover the Northamptonshire and Leicestershire sectors. Walks are always enhanced by the number of wildlife observed and the transformation of the seasons.

The group also did their traditional New Year's Day walk which this year included Teeton and Spratton.

Walks are on the second Saturday of the month and the group meet at the lychgate at 10am. Routes are usually a 3 hour circular walk ending with an optional lunch in a local pub. New walkers are always welcome and are advised to wear walking boots and to bring water with them.

This is not a formal club so there is no charge and therefore no accounts.
