

Creaton W.I

Creaton W.I meets the 2nd Wednesday of each month. We usually have 10 meetings in the United Reformed Church, and at least 2 outside meetings each year. Other activities undertaken are taking part in the W.I skittles league, walks and craft afternoons. We also have a cake stall at Creaton in Bloom. Our monthly talks cover a wide range of subjects and some of our talks for the next year are on Swimming the Channel, Bloody Mary, The dressing of elephants for ceremonial occasions and the Life of a Magistrate. Each year we have an outing usually, just before Christmas so that we can do some Christmas shopping. We have 24 members but would like to increase our numbers. Guests are always welcome to come along to any meeting to see if it is the kind of organisation they would like to join. Each month we put a notice in the Post Office with information about our next meeting, if you are interested please come along.
