War Memorial

As so much effort had been put in to restoring the war memorial when I saw the opportunity for entering the British Legion competition I put Creaton forward. Winning the Brian Walker shield is recognition of all the hardwork that in particular Stuart McGregor put into the project. Well done to everyone involved.

Update on Post Office

David and I have still been unsuccessful in selling the business but that is still our preferred option.

I did manage to organise a visit from a PO Field Change Advisor who confirmed that Post Office Ltd has every intention of trying to maintain a Post Office presence in Creaton. I will continue to work with PO Ltd to try and achieve this. All I ask is you try and use the Post Office as much as possible as any future decisions on the part of PO Ltd will be based on transactions.

As a Parish Council we did go and look at the pub outbuildings but decided they would probably be too expensive to convert to PO standards.

At this point in time David and I have no finish date in mind. I do have to give three months notice of my retirement to PO Ltd and everyone will be notified when that happens.
