

Location

The T-Exchange meets on the third Friday of each month at 7:30 pm in Findhorn at the Findhorn Village Centre. This is NOT at the centre of the village but close to the coast road leading to the centre of the village. On the coast road at the start of the one way traffic system, there is a right fork. This is shown in green on the map on the right and from the fork it is a very short distance to the Findhorn Village Centre buildings.

We usually meet in the Garden Room at the rear of the Centre, which is accessed through the building from the main entrance.
