Fife Council Active Travel Meeting 1st May – St Andrews, North Fife & the East Neuk

You can access links to some of the presentations at <http://www.travelfife.com/news/>

This includes the one for North Fife will some additional notes.

North Fife Cycling Group – become a member/supporter

You can join NFC as a member for £1 or a supporter for free. If you are part of a group or organisation that supports our aim of 'supporting and developing all forms of cycling in North Fife' then it would be a great help if you become a supporting group.

Q. Why join up?

A. Because we are putting together a bid to become a Cycling Scotland Cycle Friendly Community Award

Cycling Scotland Cycle Friendly Community Awards

<https://www.cycling.scot/our-programmes/cycle-friendly/community> Members of NFC, supporters and supporting groups are going to be the people we consult most closely with (as well as carrying as wide a consultation as possible in the short time we have) to put our application together. So you can have an input into this bid through joining us. Our committee is meeting again on 4th June so please email me with any suggestions /comments for improving cycling in the North Fife area before then. This is our first application, we have about 5 weeks to do this. Whilst consulting as widely as we can in this time, the decision of the NFC committee will be final for the content of this bid.
