

## North Fife Cycling News – 9<sup>th</sup> June 2018

[www.cycle-north-fife.net](http://www.cycle-north-fife.net) Facebook: Cycle North Fife

### **This issue is all about local cycling events coming up.**

Please share this newsletter with friends and family, come along to support the fun activities.

There's something for everyone from getting your bike checked over if you haven't been out on it for a while, fun confidence and skills building sessions off road on the grass and obstacle challenges for all ages, a longer road and trails group ride around Loch Leven and later will be the Rotary CycloFun forest trails event at Tayport Gala with a range of cycling themed activities there. Nearby will be some Big Bike Revival family events in Dundee and the new Fife Cycle Park sessions are open to all.

*In the background we are preparing to share with you our ideas and funding application for improving cycling in North Fife. Keep an eye on our website and facebook page for details.*
