In the school holidays hours will be more flexible (still 17.5/week) and determined by the programme of activities in the centre.

The post holder will be responsible to the current Centre Manager (Community Centre Co-Ordinator) and will be expected to develop additional programmes of activities within the centre to complement and add to those already running. The successful candidate will be expected to demonstrate initiative and a willingness to work flexible evening and weekend hours, and to have their own transport to and from the Centre if required.
