DECLARATION (including compulsory Food Chain Information)

- All animals must have 2 official eartags and correct passport on arrival.
- Passports must correspond with the eartags on animal presented – Failure to match may result in carcase being condemned.
- All steers and heifers must be over 12 months but less than 30 months of age on date of slaughter; Young bulls must be over 12 months but less than 16 months of age.
- Only animals born, reared and finished in Scotland and have continuous farm assurance status from birth are eligible for the 'Scotch Beef' label.
- All hauliers used must be members of the Farm Assured Haulier Scheme.
- Animals with English & Welsh passports are not accepted at McIntosh Donald.
- Animals must be on the final farm for a minimum of 20 days and will have been resident on no more than four farms.
- These animals are clean and fit for slaughter. If they are too dirty, i.e. the site cannot process them hygienically, I understand they may be rejected and returned to farm.
- No illegal substances or feed containing ingredients of animal origin have been used in the rearing or finishing of these cattle.
- No Digestive enhancers/hormones have been fed to these animals.
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while in my ownership and previous ownership(s).
- To the best of my knowledge the animals have not been treated with quinolones or 3rd and 4th generation cephalosporins.
- The holding IS NOT under movement restrictions for bovine tuberculosis (TB)
- Cattle on the holding are not under movement restrictions for other animal disease or public health reasons (excluding a 6-day standstill)
- To the best of my knowledge the animals are not suffering from any disease or condition that might affect the safety of meat derived from them.
- No analysis of samples taken from the animals on the holding or other samples on the holding has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat, or to substances likely to result in residues in meat.

ORGANIC ONLY: All consignors must be members of an Approved Organic scheme and Farm Assurance scheme.

Valid copies of organic registration must be given to McIntosh Donald, **PRIOR** to animals arriving on site.

ABERDEEN ANGUS ONLY: All steers and heifers must be over 12 months but less than 28 months of age on date of slaughter.

I DECLARE THAT THIS CONSIGNMENT COMPLIES WITH ALL OF THE ABOVE

Signature	Print Name	Date
If the animals do not fulfil all the above statements, tick this box and provide additional information on the reverse of this sheet <input type="checkbox"/>		

ADDITIONAL FOOD CHAIN INFORMATION

Information about animals showing signs of a disease or condition that may affect the safety of meat derived from them.	
Identification of animals – or attach list	
Describe the disease or condition, or diagnosis if a veterinary surgeon has examined the animal(s)	
Attending VET:	

Declaration of any treatments in the last 28 days. (Including any medicated feed, any abnormalities in the animal and any restrictions in place for health purposes)

Details of holding movement restrictions for animal health or other reasons

Details of analysis of samples taken from animals on the holding or other samples that have shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat, or to substances likely to result in residues in meat.
