Music		
Media Skills		

COLUMN G 2PPW	<input checked="" type="checkbox"/>	PT
Physics		
Practical Craft		
Making & Baking		
Media Studies		
Drama		
Spanish		

EXPLANATION OF MINOR OPTIONS :

**Social Enterprise** : This course is intended to develop a stronger supporting link between TRA and 'Made in Tain' where students learn new craft techniques and understand their commercial potential – Progression route for S4 would be through Art and Design.

**Digital technology**: This course is designed to further develop digital awareness and computer science skills such as coding and digital media. Progression route for further study would be the distance learning course Nat 5 Computing Science available in S6.

**Media Skills**: In the Media Skills class you will be working as part of a team, contribute to creating, publishing and distributing the TRA School Magazine using a variety of IT, for example Photoshop and Publisher, and photography. Progression route would be through Art and Design in S4.

**Media Studies**: The Media Studies course will include the study of a variety of different forms of media for example: film, journalism and advertising. The course will examine and investigate how these differing forms of media entertain, advise, inform and persuade the general public. Progression route would be through English in S4.

**Making and Baking**: This course is designed to further develop planning, preparation and cooking skills. Progression route would be through Hospitality in S4.
