- Date of next meeting 26th June 2017 at 7pm

Beaulieu Community Council

Chair AGM report June 2016

As yet another busy and challenging year for the Beaulieu Community Council comes to an end I would like to thank all members and Councillors for their continuing dedication and hard work helping Beaulieu Community Council to remain effective and productive with the various projects and issues that may arise around the village,

We have had a few changes over the past year with new faces joining the Community Council, our new minute secretary Joan Campbell and new members Francis Mackenzie and Helen Sproston together with associated members Joan Campbell and Tony Boyland.

I would like to thank the members of the Men's Shed who continue to help with all the various projects throughout the year and are doing an excellent job.

I would also like to thank the Police for attending meeting and dealing with local issues that arise.

We have had some success again this year notably the fashion show which raised £911.00 Thank you to all those involved models and helpers alike. The fence is now in place at the playpark in Maple Vale (although gate still to be fixed)

However there are still some ongoing projects which I am sure we would all like to move forward

- bus shelter at Co-op
- carving at old priory
- fountain

I would look forward to these been completed in the coming months,

Thanks again to you all

Rosemary Macdonald
Chair Beaulieu Community Council
