Dear Dr Blair

re Affordable Homes at Rockery Farm

Further to our telephone discussion, I enclose plans of where our proposed houses will be built. There will be 2 no Two bedroom and 2 no 3 bedroom Houses.

I feel that these would complete the site.

As discussed, I confirm that if any of the Parish Council (perhaps the planning sub-committee) would like to visit the site at any time, we would be pleased to show them the site.

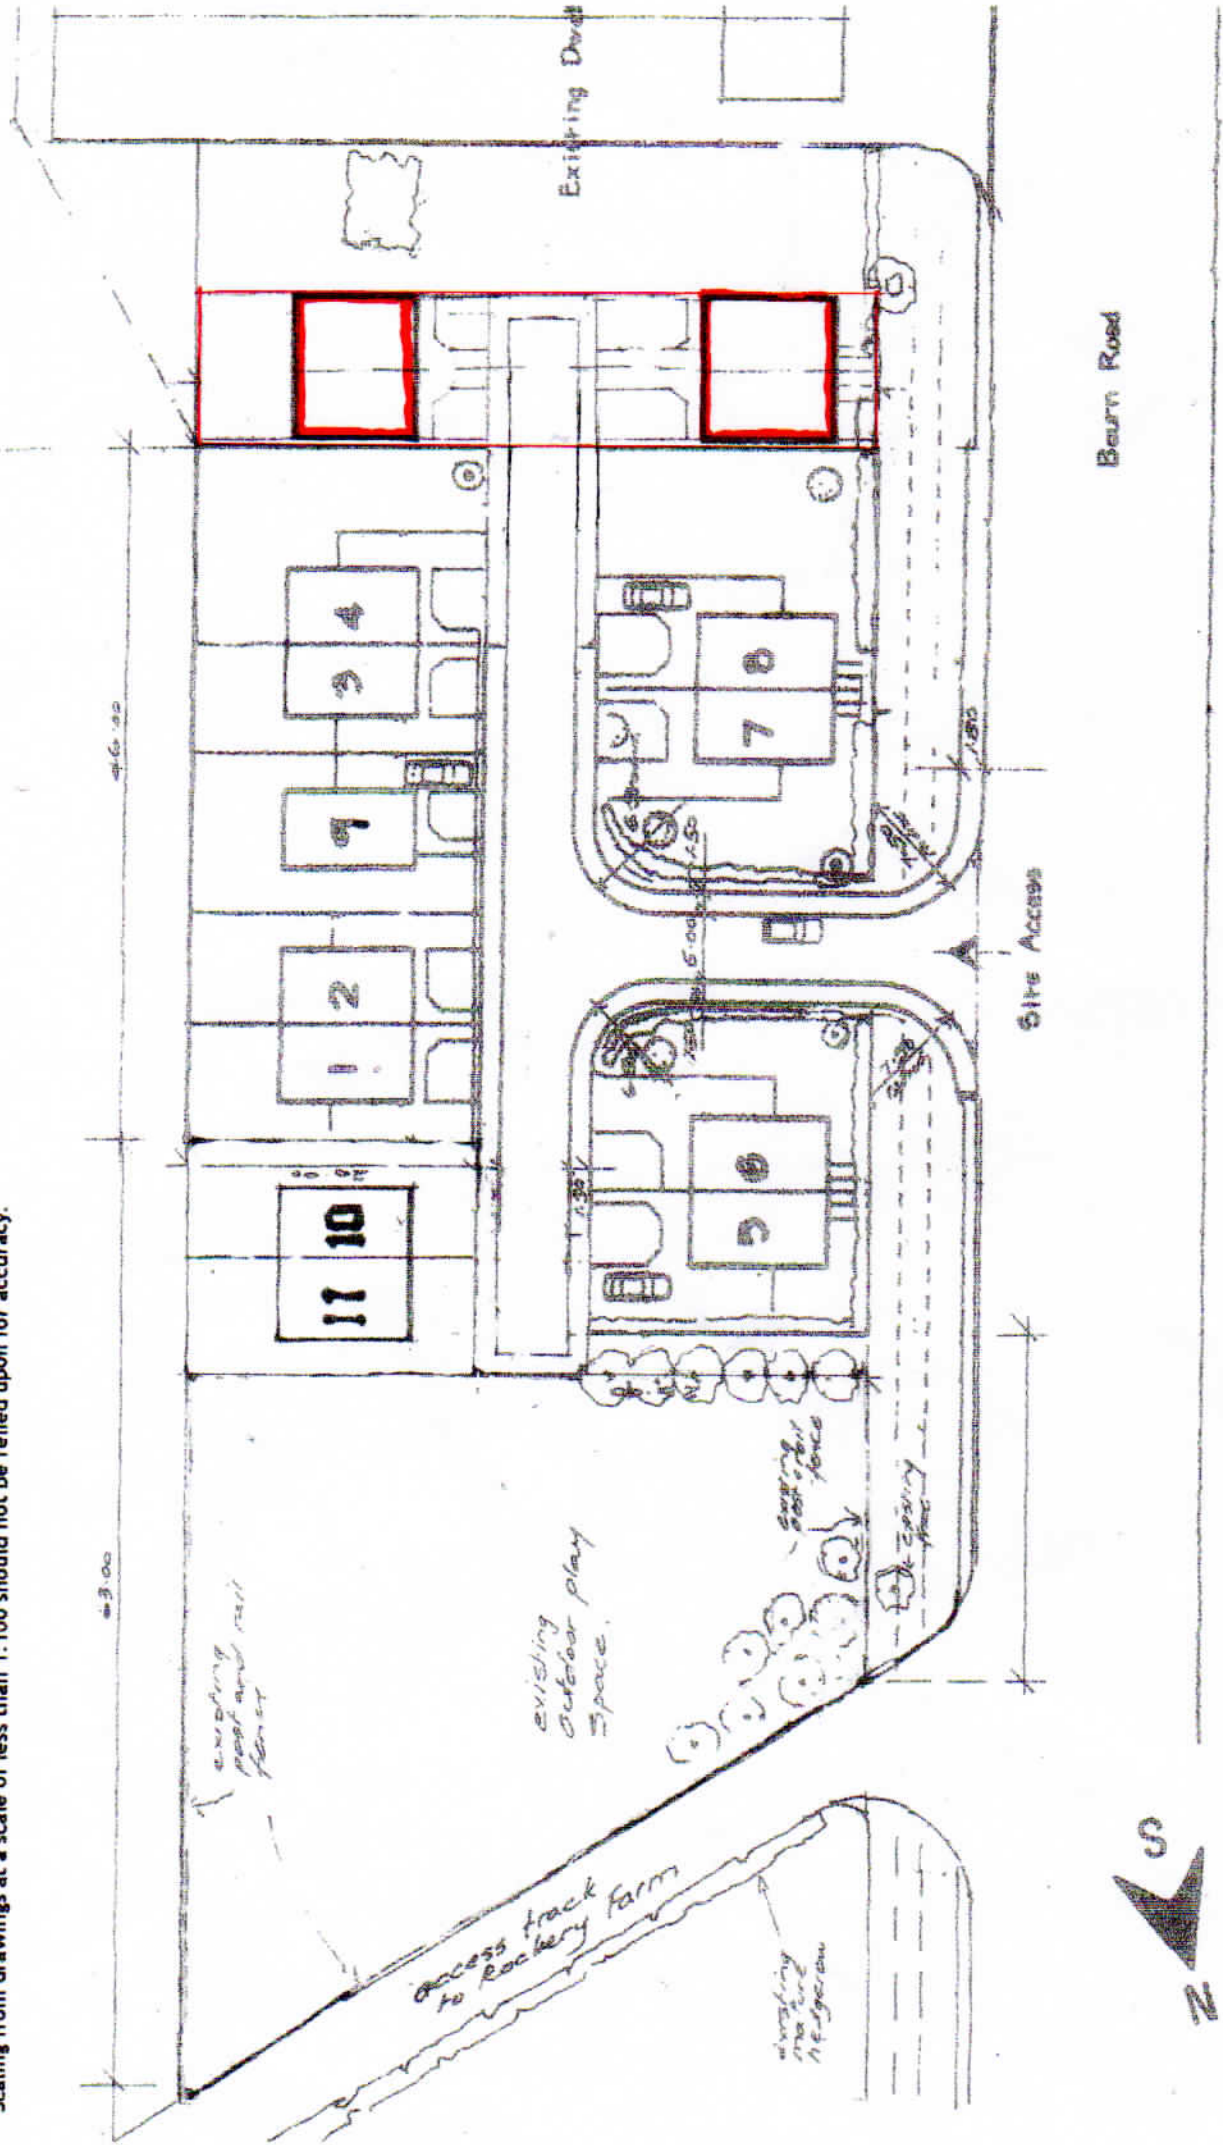

I, again, would point out that these affordable houses are not reliant on planning for any market value houses, as none built on our land have been.

Yours sincerely

Michael
