

TWINNING – VISITING ST. PAPOUL

We went over to St Papoul as part of a small group in November 2012. We were welcomed into the home of a wonderful family which was really lovely as it gave us a chance to really get to know them, feel comfortable to speak French and experience some of their customs.

Over the weekend we participated in lots of activities and ate very well! Everyone was so accommodating and I know that all the 'Bourniens' there that weekend, including the children, really enjoyed themselves.

There would also be a chance to visit the wider area, for example we spent an afternoon in Toulouse. Carcassonne would definitely be worth a trip next time!
