GER 17	1959	Fridolin Domino	2008 Christian Loh Githowen 6228 Fehmarn DK In 2010, the restoration group of "Ole Schippn Laboe eV" (OSL) has decided to launch a new restoration project. After a long search a suitable timber Folkeboot eventually could be purchased cheaply in October. In home waters, the Kiel Fjord Folkeboot has been sailing with the sail number G 17 since the year 1959, and had the name "Fridolin" and "Domino". Now it is at the rescue shed from OSL and is now being restored piece by piece.
