Classic Thriller Theatre Company

When socialite Iris's travelling companion disappears, she's bewildered to find fellow passengers deny ever having seen her. But with the help of musician Max, she turns detective, and together they try to solve this perplexing mystery.

Building on the phenomenal decade-long success of The Agatha Christie Theatre Company, the Classic Thriller Theatre Company presents a quick witted, devilishly fun thriller which is based on the Hitchcock classic, ranked as one of the Best British Films ever.
