- 7] CLERK'S REPORT
The clerk said the Queen's birthday event at the Plough and involving residents from both Normanton on the Wolds and Plumtree had been a big success.
- 8] CORRESPONDENCE
A letter from local resident David Page involving the Queen's Birthday party at the Plough intended for the next newsletter was read. Members felt a response was required and a suggested one was to be circulated to all members by the clerk. Members felt the resident should have put forward his suggestion for a different venue before the event was held, it was pointless to do so afterwards. There had been opportunity to do so at earlier meetings of the council or at the social committee.

Fiona Carruthers wrote in respect of the council website and said there was still need for additional information to be put there, including details of some councillors. The meeting felt it would be useful for them to meet the site controller and it was agreed to invite her to a meeting.

Plumtree Burnside Memorial Hall wrote seeking a grant towards the cost of intended work to their building. The council agreed a £300 grant.

Coun. Westwood raised the poor condition of Clipston Lane and said vehicles were still churning frontages up when driving on them during overtaking exercises. He confirmed the fishing club he was connected with did intend to make use of the village bus shelter and would in due course be removing it.

The question of dog fouling was discussed and Coun. Hughes was to talk to one local resident who was particularly complaining in regard to him passing on to the Rushcliffe dog warden the name of one offender whose dog was reported to be regularly causing a nuisance. The clerk was asked to obtain supply of dog signs for erection at various points in the village.
