Dear Friends,

Thank you so much for your recent kind donation of £140.00 which was raised through your Cheese and Wine Evening Raffle. We are sincerely grateful for your generosity and support.

We rely almost entirely upon donations from supporters like you to continue our work. With your help we can improve care and support for people with MND, their families and carers across England, Wales and Northern Ireland. We also fund and promote research, and campaign to raise awareness so the needs of those affected by the disease are addressed by wider society.

If you are considering any more fundraising in the future, please let us know as we will be delighted to offer you our support. Our dedicated fundraisers are on hand to provide you with help and advice, and there are various branded materials to support you in raising even more funds as well as much needed awareness.

We are so determined to achieve our vision of a world free from MND and your support helps us to make a real difference. You can keep up to date with our work and stay involved with us by visiting our website www.mndassociation.org

We would very much like to keep you updated about the important work we do and other ways you can help. If you would prefer not to receive such communications from us, please contact us (details above) and we will amend our records. If you have already informed us of your wishes in this regard, we will of course follow them.

Thank you again for being part of our fight for a world free from MND. Please let us know if we can help you in anyway, we will always be delighted to hear from you. Simply call 01604 611860 or email fundraising@mndassociation.org

Yours sincerely
