WITNESS TO HISTORY

VOLUME THREE
CATASTROPHE

Mike Walsh
Mike Walsh is a veteran journalist, broadcaster and historian. A fugitive from renegade Europeans, leftists, palace journalists, he has shrugged off their wrath over 50 years of writing. His Irish-American father, Patrick had fought in four conflicts by the time he reached 40-years of age: The Irish peoples guerrilla war against the British Army’s Black and Tans. These armed irregulars, dredged from England’s prisons, were notorious for their viciousness. The Irish War of Independence and on to fight in the most ferocious hand-to-hand battles during the Spanish Civil War. Whilst on the frontlines he was a close associate of American war correspondent, Ernest Hemingway. Mike’s father formed an enduring friendship with Ireland’s celebrated playwright, Sean O’Casey.

Eventually his father served in the Royal Air Force during World War Two as an aircraft fitter / flier. Kathleen, Mike’s well-educated mother also mentored his writing skills. A former novice nun she was a corresponding friend of Spain's Civil War revolutionary La Pasionaria. From the age of 26 the world-travelling Mike was consumed by a passion for truth and justice. Inevitably, this led him to the potpourri of lies, infamies, cover-ups and crimes committed by the Allies that militarily defeated the Workers Reich. By doing so they ensured the spread of Bolshevism, denial of freedom to nearly a score of Central European nations, the dismembering of the British Empire, and surrender to American imperialism. The Allied victory ensured that Bolshevism would fester for a further 45 years; this they call victory. Through the base stupidity and race treachery the armed forces of the victors’ empires destroyed the one revolution that alone could have ensured the preservation of European culture and values. Today, their dance of victory is the dance of death on their own funeral pyres.

DEDICATIONS

To Patrick my father with whom I disagreed to a point of estrangement I belatedly realise that he wanted a better world too. He did it in the way he thought right at the time; bravo. To my dear mother Kathleen for encouraging my love of literature and writing. To my apolitical wife Nadia who tolerates me. Last but not least I express patriarchal love and regards to our sons, Craig, Michael and Nikita

FOREWORD

It is because the victors’ propaganda has been successful that most consider themselves knowledgeable about the Reich and World War Two. Such thinking may be revised after reading Mike Walsh books covering the Reich period. This especially applies to the four volumes Witness to History series.

One may then conclude that censorship and spin in the West is as contaminated as it was in the Soviet Union. As you peruse Witness to History consider how much of the information is new which may answer the question.

If you find Witness to History informative do bear in mind that as an individual you enlighten only yourself. Might it not be far more socially responsible to use the information gained to enlighten others? This can be done in several ways.

You can purchase copies as gifts for others, recommend others to purchase copies. You can leave complimentary comment on Amazon Books. Why not use snippets to make points in local media, add to comment on social media, bring points up during table talk.

You can ‘lend copies out’ and offer to sell each copy if the borrower wishes to add it to their library. The internet is a powerful means of spreading information. Finally, on a philosophical note, is the current collapse of the West karma consequence of the Allied destruction, dismemberment and degradation of Europe from 1945 onwards.

Today, Europe and the U.S disintegrate into a confusion of class and social inequality and disorder, murder and mayhem caused by non-European immigration, there is in modern Europe a chaos of cultures. The economy collapses under unsustainable debt, European peoples are disenfranchised, betrayed, and face an uncertain future.

Is this not a mirror-image of what earlier betrayed generations heaped upon distraught Germany? A Chinese gentleman once confided in me; the moment arrived when Europe’s salvation presented itself; you destroyed it. Is this then the end of Europe?

~ The Vanity of the Victors ~ How they swagger but was victor’s vanity deserved? By May 1945 the British, Soviet and American Empires, between them, directly or indirectly, colonised and controlled the four-fifths of the world. Combined, it took these three empires to defeat a country the size of Texas. The outcome, the destruction, rape and pillage of Europe, enslavement of tens of millions, the deaths of three score million. For this they preen and strut.

THE CONQUERORS’ BLOODLUST

The Reichstag German Parliament in 1945

~ THE AMERICANS ~ "When I said that in the end Germany would be driven into the arms of Soviet Russia and Bolshevism the Ambassador replied: "‘what of it? There will not be enough Germans left when the war is over to be worth bolshevising.’” ~ Karl von Wiegand, April 23 1944, Chicago Herald American.

~ THE SOVIETS ~ "The Germans are not human beings. From now on the word German means to us the most terrible oath... we shall kill. If you have not killed at least one German a day, you have wasted that day. If you cannot kill your German with a bullet, kill him with a bayonet. If there is calm on your part of the front, or if you are waiting for the fighting, kill a German in the meantime. If you kill one German, kill another. There is nothing more amusing than a heap of German corpses." ~ Ilya Ehrenburg, Soviet Minister of Propaganda.
“The Red Army swept the native (ethnic German) population clean in a manner that has no parallel since the days of the Asiatic hordes.” ~ George F. Kennan, U.S. Academic, Diplomat and Historian. U.S Ambassador to USSR and Yugoslavia.

Winston Churchill and Joseph Stalin: "The transference of several millions of people would have to be effected from the East to the West or the North, as well as the expulsion of Germans, because of what is proposed; the total expulsion of the Germans from the area to be acquired by Poland in the West and the North.” ~ Winston Churchill, House of Commons, December 15 1944.

NOTE: Ilya Ehrenburg was one of World War Two’s most celebrated Soviet and Allied journalists. He was correspondent for Red Army’s Newspaper Krasnava Zvezda (Red Star) and other Soviet media. The Bolshevnik Jewish writer was also published by United Press, French publications, British, Swedish and other media. French President, Charles de Gaulle, who had earlier scammed to England upon the fall of France, later congratulated the Red Army propagandist. Ehrenburg was awarded Knight of the Legion Honour. Ehrenburg can be generally regarded as having inspired the questionable and much disputed allegation that the German Reich had carried out a policy of extermination. Any study of Ehrenburg’s inflammatory writings is unlikely to inspire confidence in integrity.

"In war... it is a mitzvah (good deed) to kill every gentile from the nation that is fighting the Jew, even women and children.” ~ Rabbi Ido Elba. Baruch, The Man. The Times, 16 March 1995.
"For three weeks the war had been going on inside Germany, and all of us knew very well that if the girls were German they could be raped and then shot. This was almost a combat distinction."

In the final two years of Churchill’s War, the USSR, the United States and Britain drew up plans for the dismemberment of Europe, the amputation of 25% of German territory, and the handing over of half of Europe to the Soviet Union. This policy would mean the forced expulsion of 15,000,000 Germans from their traditional homelands in East Prussia, Pomerania, Silesia, Eastern Brandenburg, the Sudetenland, pre-war Poland, Hungary, Rumania and Yugoslavia. Its purpose was to remove the 'problem of German minorities', the desire to reward the USSR with territory, the destruction of Germany as a major European commercial rival to Britain and France, compensation for Poland, and the desire to punish the conquered Germans. These expulsions continued until 1949 - four years after the war’s formal end.

It was a war that left Europe in ruins, millions dead, the British Empire in a state of collapse and Britain burdened with a war debt that would keep prosperity at bay for decades. In fact, Britain’s war debt was finally cleared only in the second decade of the 21st Century 75-years after the war’s end.

**Ethnic Germans driven from their Danzig homelands**

Poland, far from being freed, on having served its purpose, was handed over to the Soviet Union, as were thirteen previously independent European nations. None of the stated aims of the war had been achieved. On the other hand, the real (and largely unstated) aims of the war were in their final stages. The elimination of Germany as a competitive trading nation, which by position and population threatened the interests
of Britain and France. Germany was to be dismembered and her population reduced through deportation, mass starvation, genocide and dispersal among neighbouring states.

No right-thinking person could possibly collude in such an appalling tragedy. For this reason, it was necessary to disguise the real aims of the war by pretence of defending the national integrity of a nation, to conceal the deportations, starvation, slavery and mass murder, and to finally to cast Germany in such an evil light that few would be prepared to defend it.

~ THE GENOCIDE DESTRUCTION GENERAL DWIGHT EISENHOWER ~
"Our primary purpose is destruction of as many Germans as possible. I expect to destroy every German west of the Rhine and within that area in which we are attacking."

Winston Churchill and U.S General Eisenhower confer

~ POPE XII CONDEMNS ~ "The plight of millions who must answer to the hideous appellation of 'expellees.'" ~ Pope Pius XII, October 3 1949 to American Congressional Committee.

"The Potsdam Conference sanctions the principle of transferment. That is, the elimination of minorities. It is contrary to the law of nature to remove millions and millions of people from their homes.” ~ Pope XII. Observatore Romano, August 1945.
~ “STALIN WILL SEE TO THEM” ~
~ WINSTON CHURCHILL ~

~ 15 MILLION GERMAN DEAD ~ As the German nation fought for its survival in a war which, to quote Britain’s unelected wartime Winston Churchill, that was necessary to ‘obtain German sales markets’; a blood-lust seized the conquerors. "Since the end of the war about 3,000,000 people, mostly women and children and over-aged men, have been killed in Eastern Germany and south-eastern Europe; about 15,000,000 people have been deported or had to flee their homesteads and are on the road. About 25% of these people, over 3,000,000 have perished. About 4,000,000 men and women have been deported to Eastern Europe as slaves. It seems that the elimination of the German population of Eastern Europe - at least 15,000,000 people was planned in accordance with decisions made at Yalta. Churchill had said to Mikolakczyk when the latter protested during the negotiations to Moscow against forcing Poland to incorporate eastern Germany; 'Don't mind the five or more million Germans. Stalin will see to them. You will have no trouble with them; they will cease to exist.' ~ Senator Homer Capehart; U.S. Senate, February 5 1946.

~ ALFRED De ZAYAS ~ "It is in a sense astonishing that 34 years after the war so little is known outside Germany about this unhappy sequel. Even less has been discussed about the role that the United States and Great Britain played in authorizing the expulsions.” ~ Alfred M. De Zayas, Nemesis at Potsdam.

“Churchill had said to Mikolakczyk when the latter protested during the negotiations to Moscow against forcing Poland to incorporate eastern Germany; 'Don't mind the five or more million Germans. Stalin will see to them. You will have no trouble with them; they will cease to exist.” (Stanislaw Mikolakczyk Prime Minister of the Polish Government in exile.

~ ALFRED De ZAYAS ~
DISASTER WITHOUT PARALLEL "The disaster that befell this area (eastern Germany) with the entry of the Soviet forces has no parallel in modern European experience. There were considerable sections of it where, to judge by all existing evidence, scarcely a man, woman or child of the indigenous population was left alive after the initial passage of the Soviet forces.” ~ George F. Kennan, Memoirs, 1967, Vol. 1. p 265.

~ STALIN AND CHURCHILL TOGETHER IN GENOCIDE ~ "We were unable to go into eastern Germany because of the policies of the Russian (Soviet) Government, but from authentic reports received, both in person and through the Press, conditions there, due to the policies of the Soviet Government and the conduct of the Soviet armies, are horrible beyond human comprehension.
In fact, by eyewitness accounts, loot, pillage, pestilence and rape, wholesale murder and human suffering from one of the most terrible chapters in human history. Words are incapable of adequately picturing conditions there. The virtue of womanhood and the value of human life are civilised man's most sacred possessions, yet they are the very cheapest thing in Russian (Soviet) occupied Germany today. Thousands of people have been murdered, thousands of women violated, and conditions horrible, beyond civilised human comprehension prevail." ~ Senator Eastland, December 4th Congressional Record.

THE MOST COLD-BLOODED SATANIC SAVAGERY
OF WINSTON CHURCHILL AND SOVIET TYRANT JOE STALIN
AN EYEWITNESS ACCOUNT ~ The following is an excerpt from an eyewitness's account given by Leonora Geier (born, October 22 1925, Sao Paulo, Brazil) to Dr. Trutz Foelsche, Ph. D, the original account of which appeared in Deutsche Nationalzeitung, No. 17-65, p.7.

"On the morning of February, 16th, (1945) a Soviet detachment occupied the RAD (Reichsarbeitsdienst) camp Vilmsee near Neustettin. The Commissar told me in good German language that the camp was dissolved and that we, as a unit with uniforms (RAD German Labour Service not military uniforms), would be transported to a collection camp.

Since I, as a Brazilian citizen, belong to an allied nation, he asked me to take over as a leader of the transport that went to Neustettin, into the yard of a former iron foundry. We were about 500 girls (Maidens of the Reichsarbeitsdienst - German Labour Service). He said I could come into the orderly room, which I accepted. Immediately he directed me to make no further contact with the other women, because they were members of an illegal army.

On my response that this was not true, he cut me off with the remark that I would be shot immediately, if I would repeat in any form a similar statement. "Suddenly I heard loud screams, and promptly, five girls were brought in by two Red Armists. The Commissar ordered them to undress. When they, in a sense of shame, refused to do so, he ordered me to undress them and to follow him with the girls. We walked through the yard to the former factory kitchen, which was completely cleared out except for some tables along the window wall. It was dreadfully cold and the unfortunate girls trembled. In the huge tiled room, several Russians waited for us who were obviously making obscene remarks, because every word was followed by loud laughter.

The Commissar then directed me to watch how one makes sissies out of 'The Master Race'. Now two Poles, clad in trousers only, entered the room. At their sight, the girls cried out. Briskly, they seized the first of the two girls and bent her over with her back over the edge of the table until her joints cracked. I almost fainted when one of the men pulled his knife and cut off her right breast in the presence of the other girls. I have never heard a human being scream as desperately as this young woman. After this 'operation', both men stabbed her several times in the abdomen, accompanied again by the howling of the Russians. The next girl cried for mercy, in vain, since she was exceptionally pretty. I had the impression that the 'work' was carried out very slowly. The other three girls were completely broken down, cried for their mothers and begged for a speedy death, but also fate them overtook. The last of the girls was still half a child, with barely developed breasts; one tore the flesh literally from her ribs until the white bone appeared. Again, five girls were brought in. This time, they had selected carefully. All were developed and pretty. When they saw the bodies of their predecessors, they began to cry and scream. Weak as they were, they tried to defend themselves but to no avail; the Poles became more cruel every time. One of the girls, they cut open her womb and trunk over the full length, poured a can of machine oil into the mutilated body and tried to set fire to it. Another was shot in the genitals by a Russia, before they cut off her breasts. ~ ~ ~ READ MORE
