

### British Values statement 14.1.15

We define British Values in essence as:

- 1 Democracy
- 2 Rule of law
- 3 Individual liberty
- 4 Mutual respect
- 5 Tolerance of different faiths and beliefs

We believe that we support the promotion of these values through the following:

*(Numbers correspond to above definition)*

1. *School council structure; children involved in staff recruitment*
2. *Behaviour Policy; RE curriculum; humanities curriculum; house point system; pupil responsibilities; charity projects; Carbrooke Code*
3. *The language of "Choices"; values based Collective Worship; empowering children through events such as "Anti-Bullying Week"*
4. *PSHE + SEAL; School council; celebration assemblies; charity and community events(e.g. singing at care home); "Rugby for All"*
5. *Our aims and values; equalities policies; RE curriculum; twinning with Gambian school; community Interviews; focus projects (e.g. NEESA Islamic day + "Europe Week")*

In order to supplement the above classes will look at the following:-
