## 1st July 2016

The end of term is nearing, and the children are looking forward to the end of year activities. Please take some time, if you can, to share some of these with us.

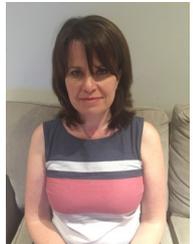

Included in this newsletter is information about transition—when children are meeting their new teachers as well as which classroom they will be in.

### New Staffing

From early July we will be welcoming two of our new teachers into school.

My name is Mrs Liz Keeler and I am really looking forward to teaching Year 1 class from September. I have worked in education for the last 10 years and I have already started planning lots of interesting lessons and activities for my new class. I enjoy being outdoors as much as possible, so I will be looking for lots of fun ways for us to learn outside in the school grounds next year.

I have three children of my own and several pets including a dog, five cats, chickens and ducks, so I am very excited to be joining a school with a pet tortoise! I look forward to meeting you all in the next few weeks.

Hello I'm Ms Sara Stone and will be joining your school soon as the Year 3 class teacher. I have a passion for learning and intend to create an environment where your children are happy, secure and inspired to learn. I am really looking forward to joining your school and meeting you all. I will be in school during July to work with your children so I can really get to know them.

From September, alongside Mr Snowdon, we will be welcoming our other new teachers.

I'm Mr Peter Cunningham and I'm excited to be joining the teaching staff at St Peter's and Paul's from September as the Year 6 class teacher.

I am a History graduate from Plymouth University and completed my teacher training in Birmingham. Since graduating I have been teaching at a junior school in Thetford.

My aim is that learning is fun and engaging. I believe that this will inspire pupils and motivate them to fulfil their potential and achieve their goals.

I look forward to meeting you all and I wish you all a relaxing and enjoyable summer holiday."

Hello everyone! I'm Mrs Chloe de Souza and I am pleased to say I shall be teaching the EYFS class from September 2016. I have had many years of experience within both mainstream and special education, and have spent the past eight years teaching in Essex. I will be moving to Norfolk during the summer and am very excited to start working at St Peter and St Paul Carbrooke Primary Academy. I am passionate about helping children to learn and engage with all areas of the curriculum, helping them learn for life. I wish you all a happy and safe summer and I look forward to meeting everyone in the new academic year!

Miss Witton will remain teaching in Year 5 class and Mrs Ashby in Year 4 class. Mr Snowdon and Mrs Spaul will have joint responsibility for the Year 2 class, teaching 2 days and 3 days respectively.

### **Year 5 & 6 Present**

#### **"Pirates of the Curry Bean"**

**Wednesday 6<sup>th</sup> July at 1.45pm**  
**Thursday 7<sup>th</sup> July at 6.00pm**

Letters have been sent home about the performances. Please ask for a copy at the office if you have not booked your tickets.

### Sports Days

Why not come along to our sports days? The children will have activities in the morning with races in the afternoon. Come over to the Millennium Green (Years 3-6, Monday 4th July) (Reception, Year 1 & 2, Tuesday 12th July) from 1pm and watch the children take part. There will be the traditional toddler and parent races too so remember to bring

## Academy News

1st July 2016

### Message from The Community:

Several key members of the Parish Council and the Village Hall committee have stepped down after years of service and there is now a genuine concern that these vital community organisations may no longer be able to continue without new people stepping forward to help. [An emergency village meeting will be held on 11th July at 6.30 in the church.](#) We're not asking for people to give up too much time – as meetings are generally just one evening a month. We simply need people who want to see these vital community resources continue – in particular the Village Hall as, if no new members come forward, the Hall may have to close. If you have any questions please ring 01953 883577.

### Year 4 & 5 Parents

John Weeks is in school on Monday 11th July to do a day workshop with Year 4 & 5, which you are invited to see the finished production in the afternoon. Please come to the office and sign in, ready for the performance to start at 2.30 pm. You can take your child straight home afterwards, if you so wish.

### Transition Week

This year our transition will take place over a period of a few days from Monday 11th July. The children will all know who their class teacher will be and the information below shows the physical changing location for the class bases. All of the teachers will be in school on at least one of the days during the week, and I know you will join with us to make them feel welcome.

Reception—remaining the same location

Year 1—where Year 2 are at the moment

Year 2—where Year 1 are at the moment

Year 3—remaining in the same location

Year 4—where Year 5 are at the moment

Year 5—where Year 6 are at the moment

Year 6—where Year 4 are at the moment

Year 6 will have a common room type area and freer access to the library. They will also make firm buddy links with the new Reception Class children.

### **Dates for your diary:**

04/07 Key Stage 2 Sports Day

11/07 Transition Week

11/07 Year 4 & 5 Wizard performance

11/07 Full Governors Meeting

12/07 Key Stage 1 & Reception sports day

18/07 Street Party

19/07 Talent Show

20/07 Leavers Church Service

20/07 End of term

Visits out, visits in, new equipment, concerts, cycling and a whole heap of other good work has taken place in the last 2 weeks.

Congratulations to the Year 6 children who passed their Cycling Proficiency this week:

Holly, Niamh, Isobel, Paige, Jamie, Thomas, Toby, Ben, Kayleigh and Joseph.

### Message for Red Class (Reception) parents.

As you are aware, Mr Winn has continued to be absent from school. This is going to continue until the end of the half term. Sadly, this means the children may not get to see him before the end of the school year. They will be doing some drawings and making him a card within school, but we are able to pass any other bits on to him if they would like to do anything at home. With this continuing absence in mind I would like to ask for your patience with their end of year reports. These will not be ready at the same time as the other year groups. If you would like further information as to your child's achievements, please log in to tapestry.

Mrs Sturman is going to remain with us until the end of the term, although she has had a few days where she already had plans made. The remaining classroom staff are always the same so there is consistency.
