## 9th March 2018

Goodness—what a month it has been! A half term, 3 snow days and an Ofsted to name some basics. Thank you to all who continue to support the school in positive ways—especially those who do our ‘shopping’. Mums—hopefully you will be really pleased with the gifts you receive this weekend, and I know that some very special cards have been written too.

Enjoy some family time, focus on the good things, and accept differences of opinions, gracefully.

**Brave the Shave**

One of our mum’s is braving the shave for MacMillan Cancer Support. If you would like to sponsor Cheryl, there is a form at the office.

**Our value this half term is:**

Please contact the school office to sign up for a **parent consultation** next week (for either Tuesday 13th or Wednesday 14). Each teacher has times available and we ask that you call or visit the office and book a time at your convenience. The dates have been on the newsletter for some time, there has been a reminder on the whiteboard and on Facebook.

**Children on Gold**

**Calling all artists.**

Design a poster to be displayed in the school kitchen. The poster must have a healthy eating message. You must make it eye catching, colourful and informative.

Entries must be on A3 and have on the reverse the child’s full name and age.

Everyone can enter and there will be a prize for each age group.

Entries to be given to Mrs Ives.

**Closing date for entries Thursday 22nd March.**

**National Story Telling Day**

As part of the school are out on the residential on World Book Day, we have decided to take part in Story telling day instead. This is on **Tuesday 20th March**. We would like the children to be dressed as their favourite story character, and preferably bring along a book their character is in also. During the day we will have a story teller in school, and hope to invite people in to read or tell stories to the children. There will be a photographer in school also, as our story teller is being paid for by the Knights Park housing developer.

# Academy News

## 9th March 2018

We have had some reports of adults having too many children in the backs of their cars, and some children not in appropriate seating for their age and size. As a polite reminder, please understand that although we have no control over who travels where and with whom, we do have a duty of care to the children at our school. Accidents can happen at any time and an unsafe child in a car can be hurt significantly at even low speeds. **THINK SAFETY.**

We are still seeing a number of children in items that are not appropriate school uniform. Please ensure that school shoes and clothes are in line with expectations and a gentle reminder that jewellery is not allowed, with the exception of stud earrings and a basic watch.

### Residential

We have scheduled a new date for the Key Stage 2 residential. It will now run from Wednesday 21st—Friday 23rd March. A letter will follow, although very little is expected to change from the original plan. Sincere apologies for having to delay.

The final few collections are coming with the recycling stars. Due to a couple of snow days and non-delivery of stars, they will be doing a few weeks extra to make up for it. Hopefully you have managed to contribute to the vast number of stars collected so far, and please collect the last ones and send them in for the final count.

Look out for the school Facebook and Twitter feeds—Carbrooke Primary and @CarbrookeAcad

Do you have anything you would like advertised? Contact Mrs Wheeler by Wednesday of a newsletter week.

### Happy Birthday to:

- Dennis (11) Alexis (8) Emelia (5)  
Karolina (11) Harley (10)  
Mrs Read (??) Ms McGuinness(??)

inspection (the type where a full report is written) and that will be later this calendar year.

Although we are not able to report directly to you yet, regarding our inspection, we are able to say that we were inspected under a section 8 (as a good school) which is a one day inspection. Part of the process was not completed so an additional day was added. A letter will be sent home from both inspectors, telling you about the strengths of the school, and the areas we are developing. We will still be having a section 5

Please do remember that **class teachers are the first port of call** with issues regarding your child. They can be seen, by prior arrangements, at a mutually convenient time.

If you would like to come in and talk to a member of the Senior Leadership Team please ask the office staff to book you a time. Please note, it is also possible to ask for a telephone discussion if this is more convenient.
