## **Our Masterclasses**

**Saturday 16th March : 10 am to 4 pm**

**Sunday 17th March : 10 am to 4 pm**

In addition to the **free** interactive demonstrations taking place in the main hall over the weekend, we are also delighted to be joined by three experts who will be holding all-day Masterclasses on both Saturday and Sunday in Felting, Knitting and Rag Rug Making.

Masterclasses cost £30 per day and can be booked by contacting Sally Wild on (01862) 810140 or completing a booking form on-line at [www.dadca.org.uk](http://www.dadca.org.uk).

More information on the individual classes can be found overleaf.

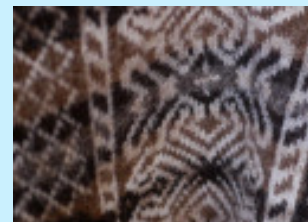

## Hazel Tindall

### Fair Isle Knitting

Hazel has been timed as the fastest knitter in the world, and is coming to Dornoch from her home in Shetland to teach two masterclasses in Fair Isle knitting.

On Saturday, students will learn how to knit a woolly hat, and on Sunday, students will complete a cushion cover, all in the intricate designs of Fair Isle.

*Please note: the Saturday class is now full, however places are still available for the Sunday class.*

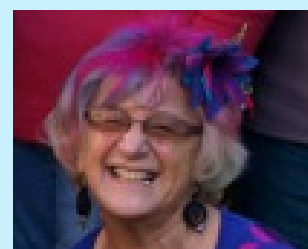

## Ewa Kuniczak

### Felting

Ewa lives and works in Kincardine-on-Forth, Fife, Scotland and as well as teaching and creating felted art at her studios, also supplies shops and galleries throughout the U.K., and exports her work to Japan, France and North America.

Her Saturday class will make a felt bag, while on Sunday students will make felted slippers,

Visit [www.feltheadtoe.co.uk](http://www.feltheadtoe.co.uk) to see more of her work.

## Floraidh McPherson

### Rag Rug Making

Flora designs and makes rugs, bags and cushion covers, all handcrafted from recycled fabrics and yarn to give contemporary textiles, rich in colour and texture. You can see some pictures on her website [www.floramcpherson.co.uk](http://www.floramcpherson.co.uk)

Workshops will cover the main methods of rug making - hooking and prodding. Frames, hessian and tools are all provided, along with some prepared fabric to start you off.

The workshops are full of ideas, the techniques are easy to learn and you will be encouraged to make your own original design. .
