

FLOWERS AND FAIRS WATERING ROTA 2014

The planters to be watered and maintained are:

- High Street: All black laser cut and plastic planters, all black baskets on lamp posts, library troughs and stone trough at Patisserie.
- The Square: All black laser cut and plastic planters and all black baskets on lamp posts
- Castle Street: All black laser cut and plastic planters and all black baskets on lamp posts and 2 planters outside gift shop and beside the Deanery and Co-op.
- Camore: Tubs to sides of bus shelter

All hanging baskets and solid plastic planters are self watering and only require top up until the overflow drips.

- The bowser can be filled at the RDGC maintenance sheds after watering.
- Petrol from Evelix Filling Station to be charged to our account (Garage no. 01408 621721).
- Car doors need to be locked and the car parked in Meadows car park. The door key is kept at the Dean's Court shed. There is only 1 key for starting the car and it is kept in the glove compartment. Any problems let Barbara or Judi know.

Planting up 21st June 9.30am – meet in Square Deadheading Wednesdays

*If you cannot manage to do your designated day, please call around the others to arrange a swap
Thank you all again for your time, energy and commitment to maintaining the annual display.*
