2	Help Sustainability	New activities	Comments
3			
4	Able to run more classes		
5		Pilgrimage gathering	
6	Greater inclusivity, more participation	Fitness suite, IT provision, office space	See note
7	Allow us to have board meetings there (currently in chair's house as unavailable when needed)	More catering opportunities	Great!
8	Fund raising events. Maintain level of fitness for crew	Training sessions. Fund raising events	
9		More games facilities (table tennis, badminton, etc.)	
10	Create an area with which we could identify on a regular basis	Fitness suite	
11	We have almost outgrown the Struie. Now have 14 members & can't handle any more.	More hand craft sessions – maybe at weekends for children	See note
12			See note
13			Really good idea
14	I'm not sure that in our particular case it would help.	Probably none	See note
15	New facilities would give us more space and a greater presence in the community		
16	Wet weather protection for games day. Better stand & catering for Patrons.		See note
17			
18		A mens group	
19		Possibly weddings, birthdays, etc.	Good for future Dornoch community
20	Accessibility. Extra kitchen facilities	Increase of existing activities	Ideal location, essential for future of community work in Dornoch
21	Improved accessibility & toilets		Good location at town level making it easier for older/disabled people
22			
23	New facilities may attract new members	Moresporting activities would be nice	A more modern facility would be an asset to Dornoch.
24			
25	Help to provide a service to teach newcomers/youngsters the basics of fly fishing		Good idea
26		Not sure	See note
27	Location in Dornoch would widen our potential catchment area and being more central to existing membership is more sustainable in terms of travel costs, etc.		
28			Great idea. Very much needed to replace existing building which is not fit for purpose
29			With the Court closing perhaps we could have the service point at the new centre
30			Good Luck!
31			I think that a new community centre is a great idea
32		A meditation class	
33	I could offer a greater number of fitness solutions to a wider group of the community (e.g. A referral scheme could be set-up & classes with creche).	One to one coaching in the gym. Playgroups, nurseries, creche. GP referral scheme. Cardiac rehabilitation centre. Chiropractory. Hairdressers, internet, wi-fi. Concerts	It needs to be a multi-functional facility available to the whole community. From creche -> school -> youth club -> adults -> retired
34		Multi Use Games Area (MUGA)

- AX6: Planning for the future of IV25 this is an essential project. Current facilities do not meet current needs let alone future requirements.
- AX11: I love the idea of a new hall, just get on and build it while we are still alive!
- AX12: As we don't use the Social Club at present it is difficult to answer the questions above, however who knows what the situation will be in future. It may be, however, that we would require the use of a large hall for Federation events in the future.
- AX14: I think that Dornoch needs a new community centre with modern facilities including a fitness suite and small meeting rooms
- AX16: This opportunity needs to be grasped for the future generations of Dornoch and clubs/groups/individuals need to work in harmony to achieve the dream.
- AX26: Ross Stitch has found a new home in Tain and the feeling of the group is not to move outside the boundary of Ross-shire. I will continue to support the Social Club on a personal basis and remain personally affiliated. At present I am unsure of all the facts about the building of a new Social Club. There seem to be a number of projects being planned. Where does DADCA fit in?
