Dear *Seamus*,

As you will know, plans are under way for the provision of a long-needed Community Centre in Dornoch. This project will call for a major fund-raising effort and I am writing to ask whether your organisation would be prepared to help with two events next summer from which the proceeds would go entirely to the Community Centre Fund.

First, we are proposing to stage a Midsummer Fayre in the Square on 22nd. June and we hope that to ensure a really enjoyable and successful evening every club and organisation will take a stall

Secondly, after this year's reasonably successful experiment in Jubilee Week, it is proposed to arrange a further Dornoch Week from 2nd to 8th July. We hope that, as with the Jubilee Week, clubs and organisations in the area will be prepared to take on an event or competition or whatever for which they would be responsible. The Committee would greatly appreciate ideas for, and offers of help with, this Week, which we hope will be entertaining for both visitors and residents and will result in a boost for the Community Centre Fund.

It will be necessary to begin making firm plans early in the New Year for both ~~these~~ events. Could you, therefore, let me know ~~by 21st January at the latest~~, whether your group will join us in either or both of these ventures and of any ideas which you may have for inclusion in the programme.

Yours sincerely,

as soon as possible

W.B. Ashplant
Chairman.
