Dear Mr Bishop,

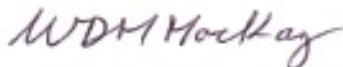

Meadows Park Asset Transfer

Further to the recent discussions between the Trustees of Meadows Park and Dornoch & District Community Association (DADCA), I write to confirm that the Trustees are unanimous in their support of DADCA's project to build a new Community Centre and storage facility at Meadows Park.

Furthermore, I am pleased to confirm that, in the event of Big Lottery supporting your application for funding, the Trustees would be willing to make such land as required for the build available to DADCA by means of a no-cost asset transfer. However, for the avoidance of doubt, we would require DADCA to cover all the legal expenses incurred by the Trustees in executing such a transfer of title to DADCA.

I hope that the above confirmation is adequate for your needs at present and on behalf of the Trustees may I wish you every success with your project.

Yours faithfully,

William D. M. MacKay
Chair, Meadow Park Trustees
