GENERAL MEETING

WEDNESDAY 11 OCTOBER 2017

BOARHILLS VILLAGE HALL AT 7PM

Please come along to the Boarhills and Dunino Community Trust's first general meeting on Wednesday 11 October 2017 in Boarhills Village Hall at 7pm. At the meeting, the Community Trust will register members and appoint directors of the Trust. The Trust's main aim is to improve community life in Dunino and Boarhills. One of the Trust's first projects will be to produce maps showing walks in the local area, a project it already has funding for. The Trust invites all members of the community to become involved and help make Boarhills and Dunino an even better place to live. Please come along on Wednesday to become a member and support the improvement of your local community.
