

March 2015 Crime Figures

From Pc 1603 Howard Shinn:

An unusually high number of crimes for Keyworth this month, with over half those reported being damage to either motor vehicles or buildings.

I am aware that there was a group of people that entered the village from outside and this will account for some of the offences, but not all.

Some rural theft offences from sheds, farm buildings and open spaces. Please consider the use of alarms to sheds and farm buildings, these are widely available from the internet or DIY

As always please be vigilant to suspicious incidents or people in your area and report to the Police on 999 or 101.

All reports of crime should be made by using the 999 or 101 system to report the incident to the force control room. The beat team monitor all calls to the Police involving our area and we attend those incidents that we need to.
