

Creative Cairngorms

How you can get involved in what we do:-

- **Exhibitions** – There are lots of ways you can get involved e.g. putting up, dismantling and packing artwork, transport, and occasionally, manning the exhibitions.
- **Displays throughout the year** – as artists, we source locations throughout the Park to display our work. Your help would be greatly appreciated with displays in your area.
- **Artist workshops** – we aim to run a number of artist workshops throughout the year – if you would be interested in running a workshop please let us know.
- **AGM** – it's really important that we get your input as this helps to shape the way forward for Creative Cairngorms. Your vote, and your views at our AGM are really important.
- **Feedback and ideas** – Creative Cairngorms is a membership organisation where everyone is encouraged to feed back thoughts and ideas as part of our continual improvement many brilliant projects start as small ideas so, if you have an idea you would like to share, we'd love to hear from you.
- **Regular press information** – we have a small group of members who handle our press releases. We are always looking for new members - if you would like to become involved in raising the profile of Creative Cairngorms, please let us know.
