Chairman's Report May 2017

My thanks as usual go to all the Councillors for their help and support for the Parish and for representing the various outside organisations.

This year we have successfully let all the Beach concessions which continue to fund the running of the Council plus some village improvements without the need to levy a precept on our residents. We are hoping for another successful trading season on the beach.

The Council are very pleased with the progress by greenways and Cycle routes on the new path to Weston. The route should be fully completed by July , creating a great new asset for the village and a benefit to both residents and tourist.

Unfortunately, due to family commitments, our clerk, Jacqueline has decided to relocate and give up her role with the parish. We sincerely thank her for all her hard work and dedication to the village and wish her every success in the future. On that note, we welcome Sam Peake who has kindly agreed to take over as our new Clerk. Sam is involved with several other Parish Councils and has excellent training and experience to carry out this role.

Finally I would like to thank Tony Grimes for his continued hard work and support representing our village at Sedgemoor District Council. We also congratulate Bob Filmer on his successful election and look forward to working with him at County level.

Jon Harris (Chairman)
