**No garden waste collections** 24 December - 4 January; resuming 7 January. Revised days also apply to assisted and clinical waste collections.

Recycling sites follow usual schedules, except **all sites close at 4pm** on Monday 24 and 31 December. All sites closed 25-26 December and 1 January.

Christmas trees - either: home compost, or take to a recycling site or, if you have a garden waste subscription, undecorated trees under 6ft can go out for collection on your usual garden waste collection day from 7 January, or look for local charity shredding/collections. (Last resort: send tree to costly, wasteful, polluting landfill. Place next to your rubbish bin on your usual collection day 7-18 January 2019).
