

Slash your motoring costs

Cromarty drivers can beat petrol price hikes through **one-to-one fuel efficiency training** with a qualified instructor

Sat 13th July 2013

Victoria Hall, Cromarty

50min sessions – must be booked in advance:
millionmiles@transitionblackisle.org

A daily commute from Cromarty to Inverness adds up to driving around 10,000 miles a year – how would you like to get an extra 1,000 miles out of your tank?

Fuel economy typically improved by around 10%

~~£40~~ ~~£12~~

Offered **free to members** of Transition Black Isle!

Transition Black Isle aims to encourage local action on peak oil and climate change - membership is open to anyone living or working on the Black Isle
Annual subscription: £10 adults, £5 juniors / concessions
