

A VISION FOR MILTON ROAD LIBRARY

Our campaign to keep our local library open helped change the views of the County Council. They have now promised that library services will be retained in our community. However they have **not** given assurance that the same local library buildings will be retained so we have to keep active!

We think the facility can be developed as a library but as much more as well. We are holding a meeting on

Saturday 19th November 3 til 4.30pm

at the library, to tell you about our ideas and to identify those of you willing and able to help us move on to the next stage of the campaign. Here are the areas we need to cover:

Fundraising Schools Liaison Publicity

Secretarial, Treasurer and Admin roles

Running Events Recruitment of volunteers

Development of the building

If you want to help with any of these areas please come along to the meeting which will also be our AGM.
