

BARTG

British Amateur Radio Teledata Group

BARTG 2018 Experts List

BARTG have reworked the Expert qualifications. The top ten stations in SOAB of each contest in the 2017 season are promoted to Expert status. The top ten SOE retain their EXPERT status. Expert status is retained for a two year period after which the station is automatically downgraded. A top ten placement in any SOAB section will be required to be promoted once again. The following stations achieved Expert status during 2017 and must enter SOE unless they choose to enter the SOAB100/SOABQRP/single band sections of our contests.

* Callsigns shown in are serving their second year as an Expert. They will not be an Expert for 2019.
