Contestants comments:

As always this is my favorite contest by far Bill Holbert Sr. W5BBR

My first RTTY QSOs at all. Working in contest was very much fun. Hope to meet you all agn in next year ... Gerald DL4NEI

Thanks for the contest, Conditions was very good. EU's RTTY signals is strong, coming over the pole on 20m. I worked 830 EU's (about 70 G's station) and 1200 total QSO's. It was my best result in BARTG. I like BARTG RTTY Contest, see you in 2006 Haru JA6ZPR(JH6JSR)

Only 50 watts at maximum and FD4 windom wire antenna ... so tnx to all who kind enough they wkd my little stn. hpe to cu all next year agn 73 de Ralf - DG1RKP

Thanks for a nice contest. It was my first bartg-rtty -contest. My rx is an ekv-13 (old military receiver from east german army) and my ant is a oe5ohl- windom ... Mirko DE7MTP

My objective was 1000Q's, but with software slowing-me down and 15m completely dead to states on saturday, I failed. 15 and 20 were in very good shape to JA both days, and I thought I might end-up with more JA than W's, but finaly 15m opened to states on sunday and even allowed to work the 10 call-areas ... Patrick F6IRF

This was the first competition that we ran from our new club shack. Equipment included Yaesu Ft1000 MP MkV, Acom 1000 linear, various wire antennas and a 3 band beam on loan from Maidstone club. All power was from generators, as shack is in a field behind local PH ... Neil M0FSH (G0BRC)

Contest Manager's Comments:

Scores this year were broadly similar to 2004 with the exception of 10 metres, where few contacts were made from Europe. Once again the number of logs received was up, from 500 in 2004 to 565 this year. Within those logs were 131,238 QSOs made by 1927 stations around the world! Those who said that RTTY was a dying mode 20 years ago have been proved wrong .. we even had one entrant still using a 444. Congratulations to the winners and thanks to all who helped make this another super contest. See you all next year.

John Barber GW4SKA
