Contest Manager's Comments

The ever increasing amount of RTTY contesters took full advantage of good conditions to get some very high scores this year. Entries were up in number from 203 last year to 343 this year, an increase of over 50%. QSO rates improved with the increased participation and the top station, Jeff 9H0A, managed an average rate of 54 QSOs per hour for 24 hours.

It was very good to see more SWL entries and some close competition in this section of the contest. No doubt the use of sound card software has encouraged more listeners to have a try at contesting. Log checking was helped by having more correctly presented Cabrillo logs this time, and less time had to be spent in converting and modifying incorrect entries. A few logs ended up in the checklog category through missing information, but this was generally due to incorrect use of software rather than any problem with the software itself. The change to Cabrillo format has now resulted in much more accurate checking of entries and a much quicker presentation of the results. We have also got rid of the very few dishonest entries which might have been missed in the past.

Thanks to everyone who took part and helped make the contest such a success. I look forward to seeing you all next year.

I check your list, say OK to our awards manager, he sends you a nice award for the shack wall. Simple!

Contestants comments

Mike K4GMH..... Is 24 hours a sprint or an endurance or am I getting old?
Robert G0URR..... Windy conditions at the start and the end made it difficult but in between it was brilliant .. worked more Qs and Mults than ever before. Fantastic, thanks.
Fred G3YJQ..... Really great contest. Looking forward to the next BARTG contest
Tom GM0JHF..... Enjoyed the contest but why do people visit when there is a contest on?
Gino IK2RZP..... Only a few hours but great fun! Cu next year!
J41YM The beginning of the contest was very fast. I work 60 QSO in the first 48 minutes of the contest and all needed 6 continents !
Ernest PJ2EL..... My first entry in this contest, definitely this is one I like
Dennis WB8K..... Great contest. Wish I could have stayed awake the full 24 hours
Dez ZC4DW..... One of my favourite RTTY contests. I love the scoring, mults counting once regardless of band, think it's a good idea for the guys with simple stations.
