Contestant's comments:

Nice and funny contest. I'm very happy to participate ... **PAOLO IK2GWH**

Had a great time - Really enjoy the RTTY contests & the operators! ... **STEVE KA1C**

Less QSOs due to decreasing solar activity and participation in CQ 160 m contest at the same time ... 73 Gerd (**V31YN, DJ4KW - BARTG**) and **YL Gisela (V31GW, DK9GG)**

First full time effort for this contest. Conditions on 15 were very poor and nothing on 10 ... **Ken W0LSD**

Good conditions on 40 & 80 helped to somewhat offset the noticeable lack of propagation on the higher bands. Lots of fun and trying to keep up with the top stations provided some incentive to 'stay in the chair'. Only ran about 18 hours as the bands simply died after 0800Z. Contesting from the upper midwest has always been a challenge. Many thanks to Pete - N8TR, for the use of his fine station, it really makes a difference ... **Dennis WB8K**

Couldn't spend as much time for the contest this year, Not real serious. Lots of rest periods due to the Chinese new year. Has been a pleasure to participated this contest and hope will join again next year ... **Dudy YB0DPO**

A lot of rain and strong wind made some difficulties to handle antenna. Sorry can not work any UK stations, but have worked some rare stations. It is nice to join the contest. Next time will be much better ... **SARDJANA YB2ECG**

Thanks for inviting the SWLs. I enjoyed the contest but hope for better conditions next year. Thanks to all the organisers. Keep up the good work!! ... **Brian ZL2001SWL**

Contest Manager's Comments:

It was very pleasing to see so much activity in our very popular Sprint contest this year. The logs received showed over 160,000 QSOs with ~550 W/VE stations and ~1350 other stations worldwide. The competition between stations was fierce, especially amongst the single op experts where just one extra multiplier would have reversed the top two places. Scored were undoubtedly lower due to the poor high band conditions but the top stations compensated with very good efforts on 40 and 80. Congratulations to all our winners and thanks to everyone who took part and sent me their log. See you next year.

John Barber GW4SKA

BARTG Contest Manager

Our two RTTY contests are free to enter but cost money to run. BARTG is a small group of amateur radio data ops, unfunded except for membership income. If you have enjoyed the BARTG contests we need you to give a little bit back by joining us. International membership is not expensive .. less than the cost of a newspaper once a week .. you can pay by Paypal with no hassle or extra cost. You will get a monthly datacoms magazine covering all the latest contest and award news plus much more. We need extra members if we are to continue giving out more superb trophies and certificates each year, so please have a look at our website, press the buttons and join us now:
