Contestant's comments:

2nd year for my son and I to enter. Excellent fun. Shame 15 & 10 were not open for us. Improved upon last years raw score Simon G6BOX, M3HWW

Enjoyed the contest very much and wished I could have played for longer. Conditions not at their best but still made for some interesting contacts. Thanks to all for the Q's and to BARTG for sponsoring - hope to partake in the BARTG RTTY later in the year Peter HZ1PS

I only worked the contest for a few hours, but enjoyed it. You know conditions are challenging when you work more DX during the day on 40M than on 20M! At least a few domestic stations were making use of 15M, which was open within the U.S., as well as 10M briefly Joe Hutcheson KB1CJ

Hoping to become an expert..one day :(Great contest. Charles KK5OQ (Congratulations Charles .. you made it :-), SOE next year!)

I operated from my remote location, raised my 40' mast, operated on 20m until dark and then made the 40m dipole in order. But the night was not good, with only a handful Qs on 40m and I had no antenna on 80m. To my surprise there were Japanese stations on 20m in the very early morning, 4 stations with 4 multipliers. Then almost nothing until daylight at 9am Sunday morning, when 20m came alive again. I heard GW4SKA operate and now I understand why this contest is the SPRINT contest. Surprises include HZ1PS in Saudi Arabia, ZS2ES in S-Africa, 9X6XRO in Malasia, JM1XCW in Japan and LU1BJW in Argentina. Thanks for organizing this great contest Andres TF3AM

Had a blast! Welcome to all the new stations. Looking forward to working everyone next year Eric VE3GSI

Pretty dismal conditions from this part of the world, although there certainly was enough activity to keep it interesting. Operating time was limited to several hours, over half of which was confined to about 01:30 onward until the head dropped around 0530. Consequently, missed Oceania for the 6th continent. Thanks to ZS2EZ for calling on 40 for Africa! Really enjoy the BARTG tests 73, Bill VY2LI

I always like the BARTG contests. I scored a bit lower than last year when I finished 2nd in the USA to K4GMH. There seemed to a lot of new people on working on their WAS Triple Play. That new award has increased the activity on RTTY. Thanks for all that worked me Ted W4ZE

BIG THRILL TO WORK JAPAN FROM THIS QTH FOR THE FIRST TIME RUNNING 20 WATTS TO END-FED RANDOM WIRE!! DAN WB8JAY

This is my first contest in RTTY . I enjoy this mode in contest !! See you in next digital contest ! 73 's and all the best ! STEFAN YO5CUQ

Hard contest, strange propagations, somebody turn OFF 15m and 10m HI,
heavy noise on other bands. I hope to meet you in Bartg spring in
better condx Karoly YU7AE

Contest Manager's Comments:

Another good year despite continuing difficult band conditions. A few
contacts were made on 15 but the lower bands were best with 40 metres
producing good DX. Entries were slightly up on 2008 and once again
there were many first time RTTY contestants. At least 8 VK/ZL stations
were active this year which helped with working all 6 continents,
though stations with smaller antennas on 40 may have struggled.

Overall scores were similar to 2008 with the exception of our expert
winner, Mike K4GMH, who managed to find another 200+ contacts for a
fine win.

Congratulations to all the winners and thanks to everyone who took
part; I hope you all had fun. See you in the BARTG HF RTTY contest.

John Barber GW4SKA
BARTG Contest Manager
