Contestant's comments:

New qth and not using final antenna system yet. Enjoyed contest - 80 wiped out by s9+ static David G0CER

Three times last years score. Nice to see 15 open for so long Arf G1XKZ

My first entry in a BARTG Sprint Contest. On RTTY there's a fine balance between too much repetition in the exchange and the exchange being too brief, resulting in unnecessary requests for repeats Nigel G3TXF

Running 20W to a trap vertical. Very pleased to work a run of W's on 15m, at a time when no EU stations were being heard! ZM2A provided a new RTTY DXCC on 20m on Sunday morning Graeme G6CSY

VERY HARD TO GET OCEANIA. FINALLY I HEARD ZM2A SUNDAY AT 1151Z ON 20M. ONLY 9 MINUTES BEFORE THE END OF THE CONTEST !!! Dan I1-12387

Only could operate a few hours this time. Thanks to all who turned toward VK. See you next contest Steve VK3TDX

Poor condx from here on most bands. Not a peep on 10M and no JAs nor VKs. Missed a lot of VE call areas--no 0,1,4,5,9. Thanks for the Qs and to the organizers. Hope we got into your log. 73, Bill VY2LI

Contest Manager's Comments:

What a fantastic start to the BARTG contest season. 15m was open for long periods between Europe and the USA, the low bands were not too noisy and there were more stations taking part than we have ever seen before.

2600+ stations are known to have operated in the contest (~2000 last year)

991 of those stations sent in logs (a huge increase on the 700 last year)

31 multi-op logs came in (a record)

2 of our 4 classes (SOAB and MO) were won by lady operators

2 stations hit the magic 100 multipliers

Scores in the single op classes were between 10% and 15% up on 2009, while the winning multi-ops at K1SFA managed to more than double their score to over 1M points. Let's hope that we really are seeing HF on the way up again.

Thanks to all who took part and many congratulations to our winners. See you in the BARTG HF RTTY contest in March, then look out for the first BARTG Sprint75 in June.

John Barber GW4SKA
BARTG Contest Manager
