

The **ART SOCIETY OF INVERNESS** was founded over 70 years ago, with the aim of bringing an increased interest in, and understanding of, the visual arts. The Society is non-profit making and funds are used solely for the encouragement of artists both amateur and professional in Inverness and the Highlands & Islands.

Membership is open to everyone and currently the annual subscription is £22. The Society's activities are organised by a management committee, elected at the Annual General Meeting.

The main event of the year is the Annual Exhibition which continues to grow in popularity and success. Members may also enjoy workshops, painting days and day-trips to galleries or other places of interest. From September to May there is a varied programme of lectures and demonstrations to suit all interests, and also a series of evening and daytime classes in Inverness covering varied aspects of painting and drawing for all levels of experience. We also have a good library of art books and DVDs.

Members can also show their work on the Gallery pages of our website www.artinverness.com.

Our newsletter goes out to members six times a year with full information about all activities.

We would welcome you as a member of the Art Society of Inverness whether you paint, as a beginner or a professional, or have a more general interest in the arts.
