

WALL PARISH COUNCIL

Minutes of the Meeting of Wall Parish Council held on Wednesday 18 July 2018 at 7:30 pm at Wall Village Hall

Present: Cllrs M J Crowe (Chairman) and Cllrs R Barker, A Ryman, P Sampson, R Saxton and C Rubisch.

In Attendance: County Cllr D Smith, District Cllr D Salter (District Council Shenstone Ward and Chairman Shenstone Parish Council) and Peter Young (Clerk).

Apologies: Cllr J Linney (apologies accepted).

22. Declarations of Interest

Cllrs A Ryman applied for and was granted a dispensation permitting him to speak and vote on any matters concerning the Wall Conservation Area and Appraisal on which he would otherwise have a Disclosable Interest under the Council's Code of Conduct. The Dispensation to apply until the Annual Meeting of Council in May 2019.

23. Minutes

Minutes of the Council meeting held on 16 May 2018 as circulated with the agenda were approved and signed as a correct record.

24. Matters Arising on the Minutes:

Cllr Ryman queried the decision in Minute 11d to meet the cost of Hall Hire on Sundays for the Community Payback team's welfare facilities, which also meant the hall was unavailable for other hire. In response it was stated that the value of the Payback team work to the village was greater than the cost of the hire and that enquiries would be made as to whether the church hall could be used by the Payback team on those occasions when there was a request by another hirer to use the Village Hall.

25. Speed Watch Sign

County Cllr D Smith outlined a proposal that, in addition to the Speed Sign to be purchased by Wall Parish Council from its Safer Communities grant, additional signs be purchased for use by surrounding villages. A local contractor would arrange the relocation of the signs on a rota basis for maximum effectiveness. He would allocate money from his County Councillor's fund to the proposal, with payment made to the Parish Council so that the signs could be purchased, and the scheme administered by the Council. This was agreed. It was pointed out that the Parish Council needed to purchase its sign very soon to meet the funding conditions of its grant, and so would require details of a make of sign which would meet with approval from SCC and the Police. It was also important that the fixing points for the signs were compatible with the existing sign locations in Stonnall. Four locations had been suggested for Wall Parish, and the Clerk would shortly meet with SCC highways to agree these locations.

26. Annual Parish Meeting

Minutes of the Annual Parish Meeting held 16 May 2018, as circulated with the agenda, were noted.

27. Policing Matters: No officers present and no items raised.

31. Highways & Open Spaces

- Abandoned Car Wall Car Park: The Clerk reported on actions taken by the PCSO. It was noted that, if requested by the Parish Council, LDC could introduce a 24-hour maximum parking period with civil parking fines for breaches, but this would require erection of signs to this effect. It was agreed to monitor the situation until the September meeting to see if the issue with this particular car could be resolved.
- Learner Drivers: The Clerk read a letter from the Lichfield Driving Test Centre that the Wall car park was no longer on the test route, and that a notice had been posted in the Test Centre that driving instructors should refrain from using the car park for practice purposes.
- Best Kept Village Competition: Judges had visited. The Chairman and Vice Chairman would attend the results and awards ceremony in Gnosall on 6 August.
- Community Payback Team: Various projects were being progressed.
- Green Lane: Flail cutting of the Lane to be undertaken.

32. Car Park Light

It was agreed to erect a solar powered light on a separate pole. Once this was completed satisfactorily the supply to the existing column would be disconnected (Western Power £519.16) and the column removed (Derryford Electrical £120).
