

CROMARTY ALLOTMENTS AND GARDENS SOCIETY

MINUTES OF QUARTERLY MEETING - APRIL 16th, 2015

1. APOLOGIES FOR ABSENCE - John Wood, Ross Couper, Ewan Garratt

2. MINUTES OF LAST MEETING: - Proposed by Barbel Dister, seconded by Colin Dunn.

3. MEMBERSHIP: no new members

4. ACCOUNTS: Still pending full access to online bank account which will hopefully be resolved now due to John Wood's liaising with the bank.

5. ALLOTMENTS:

Old Tennis Courts:

- the weeds on Vanessa Halhead's plot are becoming a problem despite a request sent for tidying up. As there are others who want a plot, secretary was asked to email her to confirm whether she wants to continue or give up plot for another member.

- Plot fees are due in May, and secretary asked to issue requests for membership and plot fees at the same time, with deadline for payment of 15th May.

Forsyth House Beds:

- John Wood has been liaising with the Community Council about agreed annual £125 grant for beds maintenance. CC has said this is not possible due to financial constraints. It is possible some funds may be available from an HC discretionary fund via David Alston for this year only.

6. COURTHOUSE ORCHARD - to be scythed by Colin in May. Marjorie Paterson and Barbel Dister volunteered to assist with raking and stacking cut material of Autumn cutting, as cutting and raking combined is proving a lengthy and very labour-intensive process for one person.

7. DATE, TIME AND VENUE for next meeting Thursday: as membership/plot fees are due in May, and the accounts are still pending, it was felt that a meeting in May was advisable to bring things up to speed. Thursday May 20th at 7.00pm at 4 Barkly Street

8. ANY OTHER BUSINESS - none.
