

May 2015 Crime Figures

From Pc 1603 Howard Shinn:

Lower figures this month for the Wolds and Nevile wards which is good to see from previous months.

I am aware from my colleagues in Leicestershire that they have had number of theft from motor vehicles. So, as always please be vigilant and report any suspicious activity.

Please ensure that where possible that you are not leaving tools and valuables in vans or cars overnight.

All reports of crime should be made by using the 999 or 101 system to report the incident to the force control room. The beat team monitor all calls to the Police involving our area and we attend those incidents that we need to.
